Four companies, one common objective.

The FLACHGLAS Wernberg Group is campaigning for a successful future. After the managing directors' meeting in spring, when they gave the ok for a coordinated corporate design, the details were developed by our marketing team. With other words: Now it can start.

We do not really have any sympathy for technical jargon. Unless we are in China.

We consider it very important that we understand our clients or vice versa. This is the only way to create success stories. But what if the client is an important Chinese company? Bridging phonetic and cultural differences, we can see that we all speak a common language: the language of quality.

A great success need not always be great. Sometimes 210 x 297 mm is enough.

Here, we normally present our stunning projects to you. We'll do it also now. But this time our success story looks a little different. It is made of paper and is from the Fraunhofer Institute. Although we are aiming at exceeding standards, we are particularly proud of this one: it is called DIN 6701-2, which means "again a little better".

New sales staff.

Welcome.

We would like to introduce you our new sales staff, Mr. Florian Ulrich and appreciate him at FLACHGLAS Wernberg GmbH. Mr. Ulrich has taken over tasks from Mrs. Sabine Franke, who left the company at 30th of November 2011. We want to thank Sabine Franke for her work and wish her all the best for the future.

The End of the year... We say Thank you!

We will be closed at the 23rd of December 2011 and we are back at the 09th of January 2012. We wish you and your families a Merry Christmas and a Happy New Year!

Second health day of action at FLACHGLAS Wernberg was already a great success.

At the 08th of November 2011 our second health day of action has taken place. Drinks for free, a tombola, a small winter sale from uvex and a simulated drive in state of intoxication were offered. Thanks to all who helped to make the day.
